

Nanboya Opens No.2 Location in Malaysia New Buying Office in Kuala Lumpur Isetan Lot 10!

The Valuence Group offers *life-changing value* tailored to all stakeholders, encouraging every person in the world to *live true to yourself*. Valuence International Singapore Pte. Ltd. (Singapore; Antonio Lei, representative director and president) has announced the October 29, 2021 opening of Nanboya Isetan Lot 10, marking the second Malaysian location of luxury brand goods business Nanboya.

First Location to Open in an Overseas Department Store

Valuence International Singapore Pte. Ltd. will open its second Malaysian store inside Isetan Lot 10 in Kuala Lumpur as part of the company's efforts in Southeast Asia to promote the reuse culture by expanding the Nanboya luxury brand goods buying business.

Isetan Malaysia is well known among expatriates, wealthy locals, and tourists as an overseas hub for featuring and selling Japan's excellent products, culture, and services in the country. In Japan, Nanboya has been expanding into department stores to reach customers with whom the business has a strong affinity. The company believes that this current move will lead to increased recognition among customers in Malaysia who share the sustainable lifestyle proposed by Nanboya.

The first Nanboya buying office in Malaysia opened in December 2020, welcoming customers in a privacy-conscious space, offering drinks and other services, as well as speedy appraisals of luxury brand items. This uniquely Japanese

style of customer service has been well received in the community and by local customers, who tend to become repeat users of the service.

The new Nanboya Isetan Lot 10 office will offer the same warm welcome to customers, encouraging the sales of unwanted items, and aiming to popularize reuse culture further in Malaysia.
